Enter CME attendance credit on a mobile device

Each RSS session has a unique six-digit code assigned to it for reporting attendance. The code will be made available during the session and will expire within 24 hours.

You may now use this code to submit CME attendance credits via the VCME mobile app found at vcme.co. More information on submitting attendance by text or via the non-mobile VCME website.

More detailed instructions with screenshots follow.

1. Obtain the six-digit session code from the on-site flyer.
2. Bring up the VCME mobile app (vcme.co) on your mobile device.
3. Click or tap Report Attendance.
4. Enter the session code and your VUnetID.
5. Tap the Submit button.
6. You will receive a message that your credit has been issued.
